To whom it may concern,

It is my pleasure to recommend Integrity Services for their service of 3rd shift facility cleaning. I have worked with Integrity Services for 3 years and the cleaning they provide for hotel restaurants, kitchens and all public space in the hotel have been extraordinary. I am confident in the professional services and quality of work that Integrity Services provides in such an environment.

As a representative of Integrity Services, Charles Peitz constantly demonstrates an extensive knowledge of project management and techniques, as well as superb communication skills. In particular, his in-depth knowledge of facility cleaning has helped provide a quality product that Hyatt is proud to offer it's guests. Moreover, his uncanny ability to facilitate clear communication between his team along with property visits to ensure we are pleased with the services provided by Integrity is unmatched.

What's more, Charles extraordinary support and way of thinking has always made Integrity stand out from other companies. Whenever there are opportunities or changes needed, he showcases a true partnership mentality to rectify and adapt to what is necessary.

Charles and Integrity Services have my highest recommendation as a facility cleaning service. I have no doubt Integrity will make a strong addition to maintaining your facility. Please feel free to contact me if you have any questions regarding Integrity's work and ability to maintain a high quality guest experience.

Sincerely,
