

The **DIPLOMAT**

BEACH RESORT

March 19, 2019

To Whom It May Concern:

I have been working with Integrity Services Inc. since 3 years and I have nothing but positive about the company and their leadership.

Our Resort has 1000 rooms and over 200k sqft meeting space with 8 outlets and several banquet kitchens.

Integrity Service Inc. is on charge to do overnight cleaning for all kitchens, back of the house areas and public indoor spaces.

Their work is very detailed and consistent. On the top of it they are very flexible to any of our needs or extra services and they are not simply a vendor but true partners which is hard to find nowadays.

Sincerely,

TAMAS VAGO
Hotel Manager
